Attention: Mr. D.V. Rogers, Deputy

Gentlemen:

In checking our files, we find that we have no approved copy of Plugging Record on the Frank A. Porter #1, NE SW, Sec. 31-12N-43W, Sedgwick County, Colorado. You will note, that we were notified 1-2-57 that we had not submitted Well Completion Reports on several wells of which this particular one was included and on 1-7-57, we complied with your request.

In that assumption we ask that you check your records and if this has not been returned, please do so. If you have not received it, please accept enclosed one for approval. We have been receiving approved copies of the Plugging Records but so far have not received copies of Well Completion Reports. Is it the policy of the Commission to return a copy? If so, we would appreciate same. Thank you for your cooperation in this matter.

Yours truly,

BRACK DRILLING COMPANY, INC.
