**RE: [Location], Meeting Certification**

**Requestor: Roy Wardell**

**Date of meeting:** April 11, 2018

**Time of meeting:** 1:00 P.M.

**Location of meeting:** Mr. Wardell's Farmhand House adjacent to location

The following concerns were addressed:

- Truck traffic – Mr. Wardell was concerned that oil field traffic would be on access road along his property line. Advised him that all traffic would be on the lease access road which is located to the north of the well heads and around the production facility. PDC will place "No Oil Field Traffic" signs on Mr. Wardell's access road.
- Permanent light mitigation – Advised that there will not be permanent lighting at this location. Temporary lighting will be installed for drilling, completions and only utilized the first 6-9 months of production.

**Requestor: Eric Ewing**

**Date of meeting:** To be determined

**Time of meeting:** To be determined

**Location of meeting:** To be determined

Mr. Ewing is located outside of the 1,000 foot buffer area and was not one of the building unit owners noticed during the pre-application process. Mr. Ewing has requested PDC meet with him regarding traffic and landscaping. PDC will set up a meeting and meet with Mr. Ewing.
