Dear Mr. Morrell:

You will recall our recent telephone conversation regarding the change of operators for the Canadian River and Tow Creek properties. Accordingly, we are enclosing your Form 10 for the following wells: Bradley No. 4, State, No. 2, State No. 5, all located at Tow Creek; and the Blevins "A" 1, Blevins "A" 2 and Blevins "B" 6 at Canadian River.

3-9N-784

We are also enclosing your Form 4 for the State No. 3 well at Tow Creek. You will recall that this well is temporarily shut-in and needs remedial work.

It should be further noted that the following wells are now shut-in since they are uneconomic to produce:
Tow Creek: State No. 1, Bradley #2, 3, & 5;
Canadian River: Blevins "A" 3, "A" 4, "A" 5, "A" 7, "A" 8, "B" 2, "B" 3, "B" 5, Texas Gov't #1, and Texas State #1.

If we can furnish further information regarding any of these properties, please let us know.

Sincerely yours,

AMAX PETROLEUM CORPORATION
