Re: Surety Bond on Maude Knutson  
Well #A

*J. Gunn*

Gentlemen:

I was notified that you did not have a bond on file on the above property.

Enclosed is a copy of the statement from The Whitcomb Agency showing the renewal date, policy number, company, amount, and etc. This was mailed to your office a few days after it was brought to me for signature.

Also, a copy of the December monthly production report on the McRoberts which you apparently did not receive is enclosed.

Very truly yours,
