**RE: Rule 305.a., Pre-Application Notification Certification:
Blue Paintbrush Production Facility Pad: NWSW, Section 18, Township 2 North, Range 68 West
Weld County, Colorado**

Dear Ms. Murphy,

Extraction Oil & Gas, Inc. (Extraction) hereby certifies that the owners of all Building Units within 1000' of the proposed production facility pad have received notice that a permit is being sought pursuant to COGCC Rule 305.a.(2). The notices were received via certified mail on July 6, 2018. The referenced notices are attached to this certification. Thirty (30) days have passed since the receipt of the pre-application notices and confirmation of delivery is on file with Extraction.

Sincerely,

A handwritten signature in cursive script that reads "Kelsi Welch".

**Blue Paintbrush Production Facility Pad: NWSW, Section 18, Township 2 North, Range 68 West
Weld County, Colorado**

Dear Surface Owner,

In accordance with the requirements of the Weld County Code Ordinance 2015-26, Section 23-2-1020.B and the requirements of Rule 305.a.(2) of the Colorado Oil and Gas Conservation Commission (COGCC), this letter serves as a Pre-application notice by Extraction Oil & Gas Inc. (Extraction) of its proposal of an Oil and Gas Location. You are being notified because the proposed Oil and Gas Location will be on your property.

The Blue Paintbrush Facility Pad is located in the NWSW of Section 18 in Township 2 North, Range 68 West – approximately 150' southeast of the intersection of County Line Road and County Road 20 1/2. This pad will house the production facilities for the associated Blue Paintbrush Pad. Please see the attached Location Drawing, List of Oil and Gas Facility Components, and Access Road Map for more detail. The anticipated date operations will commence is Quarter 2 of 2019. A Notification Zone Drawing is also attached which shows your property in relation to the proposed Oil and Gas Location.

You must respond to either Extraction Oil & Gas or to Weld County within 28 days of receiving the notices. You may request a meeting to discuss the proposed Oil and Gas Facility by contacting Extraction or the Local Government Designee. A contact sheet and consultation request is attached to this letter. As the Surface Owner, you may waive future receipt of such notice(s) through letter delivered to the Planning Director. A Notice of Comment Period will be sent pursuant to COGCC Rule 305.c. when the public comment period commences for the COGCC permits.

If you should have any questions or require additional information, please contact Sean Casper at (720) 557-8300. Thank you for your consideration of this matter.

Sincerely,
