Dear Sir:

According to our records your office has completed enough forms for us to release the bond mentioned in your letter of November 6, 1953. This is the bond on the Biskup #1 well in the SE $\frac{1}{4}$ of Sec. 18, T 6N, R 90W, Moffat County, Colorado.

We hold the Oil & Gas Conservation Commission bond form executed by the Indemnity Insurance Company of North America. This form is held in our file even when the bond is released.
