1	I am greatly against the potential of 64 wells being put in around my neighborhood in Mustang Acres. You are depreciating our home values, putting our health and safety at risk. If this is allowed to go through it will be against the will of the people. This practice is not welcome so close to our homes, school and high occupancy buildings. Please do the right thing and STOP THIS AUTROCITY.	05/24/2018
