RE: Application to Drill, OGCC Form 2  
Austra-Tex Oil Co., #1 Austra Tex Federal  
NE SE Sec 7 T11N R87 W, Routt County

Gentlemen:

Enclosed are three copies each of the Form 2 and the location plat for the above-referenced well location. Also enclosed is our check for the \$75.00 filing fee.

This will be an unorthodox location. The well location was moved 100' east from the original staking at the request of the Craig Resource Area Bureau of Land Management. It was their opinion that this move was necessary to minimize damage to vegetation and facilitate rehabilitation. Enclosed is a copy of a letter from the adjacent leaseholder, Marathon Oil Co., stating they have no objection. The original letter will be forwarded to your office as soon as possible.

The primary term on this lease will expire June 30, 1987, and the applicant wishes to spud on or about June 10.

Approval should be sent to:

Marshall C Watson  
Austra-Tex Oil Co.  
909 N. E. Loop 410, Suite 600  
San Antonio, TX 78209

Sincerely,

POWERS ELEVATION, INC.

Connie L. Frailey  
Vice President, Environmental Services
