RE: Request for Consent to Plug Well(s)

Mr. and Mrs. Ross,

Bison Oil & Gas II, LLC ("Bison") currently has permits (pending or approved) to drill wells from one or more pad locations that Bison secured in the area. It is necessary and required by the Colorado Oil & Gas Conservation Commission ("COGCC") to plug old abandoned oil and gas wells within a certain proximity of the new wells that are to be drilled. There is three unmarked abandoned wells within the COGCC proximity threshold that needs plugging on your lands; specifically, the Koop 1 (API 05-123-14304), located in the SE/4NE/4 of Section 18 in Township 8 North, Range 60 West, the Koop 1-A (API 05-123-14463), located in the SE/4NE/4 of Section 18, in Township 8 North, Range 60 West, the H H Duell 1 (API 05-123-05585), located in the SE/4SW/4 of Section 1 in Township 8 North, Range 61 West.

Bison respectfully requests your surface owner's consent to plug the Koop 1, Koop 1-A, and H H Duell wells located on the above described lands that you own. Please indicate your agreement and consent via signature below to Bison's plugging of the Koop 1, Koop 1-A, and H H Duell wells using the enclosed envelope at your earliest convenience. Upon the receipt of your executed consent, Bison will coordinate the timing and logistics of the plugging with yourself and any tenants that you may have.

Thank you for your immediate attention to this matter and should you have any questions, please do not hesitate to reach me at the undersigned.

Respectfully,

Troy Smith
