General Comment:

Inspection of CE&P#436570 East and West pits. These pits are duplicate listed in the database and shown on GIS as Pond 13 East and West # 414403 and 414404. Pits are being relined per permit conditions to bring into Rule 908 specifications compliance. West pit has liner partially removed. Pit bottom is exposed and shows no indications of a release such as staining or odors. East pit has liner completely removed and has been partially relined. Exposed pit bottom shows no indication of a release such as staining or odor.
