General Comment:

This is a final reclamation and stormwater inspection in response to a 1001.c, 502.b reclamation variance request. Operator submitted doc. Doc. #401270387 requesting a variance to waive select requirements of rule 1004.a. to not reclaim not reclaim ~1.25 miles of the access road

The Surface Owner Variance Request is approved with the following conditions:

- All corrective actions identified on a field inspection report must be performed by the corrective action date as a condition of approval for this variance until final reclamation is passed
- Operator will continue to monitor, manage and maintain the site and access road for erosion and noxious weed control until final reclamation is passed.

Please see the "Reclamation" section of this inspection.
