Dear Mr. Smith:

Pursuant to the inspection report of the Rediess lease received from your office Phillips has inspected the facility and made appropriate repairs.

Accumulated oil on the retaining pit has been removed using a vacuum truck and the skim pit has been repaired or modified with the installation of a siphon pipe.

We appreciate your informing us of these items. Should you have any questions please contact Renee Taylor at (307) 237-5969.

Sincerely,
