**RE: COGCC Rule 603.a.(2): Property Line Exception Location Request
H03-10 Pad: NWSE Section 3, Township 3 North, Range 65 West
Weld County, Colorado**

Dear Director Murphy,

Noble Energy Inc. plans to drill four (4) wells on the H03-10 Pad. COGCC Rule 603.a.(2) states that a well shall be located not less than one hundred fifty (150) feet from a surface property line. The surface locations of Noble's proposed wells shall be less than one hundred fifty (150) feet from a surface property line and are being permitted as exception locations. The table below shows which wells are within 150 feet of the property line:

Well Name	Doc #	SHL Footage	Distance
Beebe Draw H15-715	401777534	1384'FSL/2563'FEL	121
Beebe Draw H15-725	401777533	1403'FSL/2574'FEL	122
Beebe Draw H15-736	401777532	1422'FSL/2586'FEL	122
Beebe Draw H15-746	401777531	1441'FSL/2597'FEL	123

As referenced in 603.a.(2), the Director may grant an exception if it is not feasible for the Operator to meet this minimum distance requirement and a waiver is obtained from the offset Surface Owner(s). The surface owner is the property owner on both sides of the property line and the wells are being proposed at a location agreed upon with the surface owner of both properties via a signed Surface Use Agreement.

Noble respectfully requests the approval of the property line exception location request and Applications for Permit to Drill for these wells. If you should have any questions or require additional information, please contact Noble at 303.228-4232. Thank you for your consideration of this matter.

Regards,
NOBLE ENERGY, INC.
