Subject: State Reportable Release

Follow Up Flag: Follow up
Flag Status: Flagged

Good morning,

We had a state reportable release at the location noted below due to ground water impacts discovered during plugging and abandonment activities at the tank battery. Excavation activities are ongoing at this time, and a Form 19 Release Report is forthcoming.

Please let know me if you have any questions.

Associated Well Names: Rice 1
Location: SESW Sec6-4N-67W
API Number – 05-123-10780

Thank you,
