CORRECTIVE ACTIONS:

1 CA# 114371

Corrective Action: Repair and paint tanks per Rule 804. Date: 06/08/2018

Response: FACTUAL REVIEW REQUEST

Basis for Review: CA dates are not per the guidelines

Operator Comment: Rule 804 states: " Production facilities, regardless of construction date, which are observable from any public highway shall be painted with uniform, non-contrasting, non-reflective color tones (similar to the Munsell Soil Color Coding System), and with colors matched to but slightly darker than the surrounding landscape." Bill Barrett Corporation personnel have verified these tanks are not visuable from Hwy 52 to the north and Hwy 79 to the east, therefore the 804 rule does not apply.
