General Comments

<u>User Group</u>	<u>Comment</u>	<u>Comment Date</u>
Reclamation Specialist	Approval of the form 4 acknowledges that the Oil and Gas Conservation Commission has received the Notice. It is not an acknowledgement that the reclamation has been passed. A field inspection will be conducted to evaluate compliance with reclamation standards. It appears from Photo attached that this is Notice that Interim Reclamation has been installed, not that vegetation has reached 80% & Interim Rec is Complete. May perhaps be report of Final Reclamation Installed?	11/16/2018
