Mr. A. B. Chase  
1630 Glenarm Street  
Denver, Colorado

Dear Mr. Chase:

It has come to our attention that both the #1 W. A. Rissman in section 12, Township 7 North, Range 64 West, and the #1 Gertrude Addis, et al in section 12, Township 7 North, Range 64 West, have been plugged.

If this is true both have plugged in violation of our rules and regulations. I have enclosed a copy of our rules and regulations, some forms and call your attention to rules 305, 306 and 307 as well as page 72, section 100-6-21 of our law which provides penalties for violations.

I would suggest that you advise this office immediately in writing of the status of these wells and submit such forms as may be in order.

If you have any questions please contact us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith, Senior Petroleum Engineer
