Operator: FOUNDATION ENERGY
MANAGEMENT LLC - 10112

Location ID: 327573

Inspection Doc. Number: 682504199
Weld County, CO

Aaron Trujillo
NE Reclamation Specialist
COGCC

Photo 1: Photo taken from the access road, facing north. Unable to find evidence that compaction alleviation has been conducted in accordance with 1004.a on access road.

Photo 2: Photo taken from the access road. Photo shows inspector tested the access road for compaction. Photo shows inspector was able to find a compaction layer only a couple of inches sub-surface. Unable to find evidence that compaction alleviation has been conducted in accordance with 1004.a on access road.

Location ID: 327573

Photo 3: Photo taken from the south end of the location, facing northwest. Photos 3-5 provide an overview of the location from northwest, north, to northeast. Photos show reclamation does not appear to have been conducted in accordance with 1000 series reclamation requirements; 1004.a requires compaction alleviation to be conducted by cross-ripping to a depth of 18 inches. Location has not been cross ripped. Compaction concerns remain evident.

Photo 4: See comments under photo 3.
