Reclamation Specialist	The approval of this Form 4 is an acknowledgement that the document and attachment was received. It is not an approval of the final reclamation as the outcome of the methods will be determined on the ground during an inspection at a future date. Per Rule 1004.c.(1) On cropland, reclamation has been performed as per Rules 1003 and 1004, and observation by the Director over two growing seasons has indicated no significant unrestored subsidence.	11/27/2018
