Comment: Inspection doc. #673501212 required operator to perform reclamation or provide proof of transfer of ownership and acceptance of responsibility for final reclamation of location. Operator has failed to conduct reclamation or provide proof of transfer of ownership and reclamation responsibility; pits appear to have been closed, however equipment/pipe risers/debris remains on site, and access road/location has not been reclaimed or returned to cropland.

Corrective Action:	Perform reclamaiton and comply with 1004. A CA date of 6/6/2014 is being provided as this is when inspection #673501212 (which provided no CA date) was submitted.	Date	06/06/2014
