1	Confluence DJ LLC objects to this Form 2. Any approval of this Petroshare Application for Permit to Drill will result in inefficient development of the mineral resource, waste, harm to correlative rights and will substantially impact Confluence's development plan for certain of the lands referenced in this APD that are subject to Docket No. 170900563. Confluence will be filing an application to deny this Form 2 and such application will be set for hearing in December 2017. Confluence requests that the Commission take no action on this Form 2 until the hearing on Confluence's application to deny is complete.	09/15/2017
