LOCAL GOVERNMENTAL DESIGNEE

The Local Governmental Designee status entitles local government entities to notification of oil and gas operations under the rules and regulations of the Colorado Oil and Gas Conservation Commission (COGCC). In order for those regulations to be in effect the local government entity must furnish the COGCC one particular individual who will act as the Designee. This Designee will be responsible to distribute notifications to affected departments within the local government. Information provided to the COGCC is available to anyone on the Internet at <http://cogcc.state.co.us> by clicking on the Local Gov button and searching by any identified local government entity. Local governments that do not wish to participate in the Local Government Designee program are encouraged to supply the contact information requested below in order to provide citizens and oil and gas operators with accurate information should a need arise. Submit/Fax to 303 894 2109 Attn: Hearings Assistant.
