**General Comment:**

This is an Interim Reclamation and Stormwater inspection. This is a shared location with Schneider Energy; therefore, both Operators (Great Western and Schneider) are receiving corrective action inspections to perform interim reclamation and stormwater management. Both Operators shall collaborate to bring this location into compliance.

Comment

This location had an approved variance request to delay interim reclamation (Doc. #401015788) for 2 years from 3/28/2016; therefore, interim reclamation activities should have been completed by 3/28/2018. Operator has failed to perform interim reclamation to reduce disturbance areas only needed for production operations. Note: All five other permitted APD's have expired.

Corrective Action

Comply with Rule 1003. Corrective action date is being back dated to when interim reclamation should have been performed.
