General Comment:

This is an environmental inspection. Any corrective actions from previous inspections that have not been addressed are still applicable. Photos attached to document site condition at the time of inspection.

COGCC inspection of produced water vault removal pursuant to the Matt #1 Administrative Order on Consent (AOC) order no. 1V-678 item #6. PDC notified COGCC of planned start date of 11/29/2018, inspection occurred at 2:00pm on 11/29/2018, there were no operator or contract environmental personnel on location at the time. Vault had been removed and hauled from location. Hydrocarbon impacted soil was present, little to no hydrocarbon odor.
