Comment:

Operator performed the previous corrective action to perform final reclamation activities along the access road, with the evidence of drilling rows and straw crimped mulch. Operator shall continue to control and manage weeds and erosion until the Location meets Rule 1004 standards. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct follow-up inspections prior to receiving said notice to ensure compliance with Rule 1004. Refer to the attached inspection photo.
