Dear Director:

Pursuant to the Colorado Oil and Gas Conservation Commission Policy on the Use of Modular Large Volume Tanks (MLVT), dated June 13, 2014, Noble Energy, Inc. ("Noble") hereby certifies we will comply with the Design Criteria, Site Preparation & Installation, and MLVT Operations and Contingency Planning outlined in the Policy.

The MLVT design package, contractor installation records, records of inspections and associated action items and records of any repairs will be maintained and be available upon request. Daily visual inspections will be conducted per the Policy. Noble's contingency/emergency response plan has been developed and is available upon request.

If you have any questions, please contact me at 970-304-5233 or cody.ball@nbleenergy.com.

Regards,
NOBLE ENERGY, INC.
