Jason, Erin, & Tami,

COGCC received the below correspondence from Broomfield's counsel last week. In accordance with Rule 305.e.(2), the COGCC is suspending approval of the Form 2A and related Form 2s for the Goltl pad in Broomfield.

Our hearings unit will assign a hearings officer and docket the matter for January's hearing. Expect to be contacted later this week or after the first of the year.

If Crestone has immediate plans to commence operations with heavy equipment at this location, please let me know as soon as possible.

Thanks,
Greg
