Weld County, Colorado, 6<sup>TH</sup> P.M. ("Lands")

To Surface Owner:

The Bangert #31-19 well located on the Lands, plugged by an Operator in 2004, needs to be re-entered and re-plugged to ensure the integrity of the well bore. Prior to commencement of those operations, which we anticipate will commence within 30 – 90 days, the Colorado Oil and Gas Conservation Commission requires we inform the surface owner, and secure his/her agreement to the procedures. Please acknowledge receipt of this notice and your consent to the proposed operations by signing and dating this letter.

Additionally, by executing this notice, you agree that Kerr-McGee Oil & Gas Onshore LP ("KMG") shall pay to the Surface Owner the sum and perform the obligations set forth in and according to the terms of that certain Letter Agreement by and between Surface Owner and KMG of even date, as full consideration and final settlement and satisfaction for any and all normal and customary detriment, depreciation, injury or damage to the Lands, as a result of its re-entry operations.

If you have any questions or concerns regarding this matter, please do not hesitate to contact me directly at 970-515-1693.

Thank you,
