GJ office has contacted Battlement Mesa, Town of Parachute, and Town of DeBeque. Battlement Mesa and Town of Parachute drinking water sources are above the confluence of Parachute Creek with the Colorado River. I was unable to make personal contact with Town of DeBeque but left a message.

I also left a message with the Williams Environmental Officer, Annete Garrigues, regarding information relating to possible fish kill.

The GJ office will stand by and be available for assistance if needed.
