Hi Kris!

Thanks for touching base. The CS47 remediation report has been drafted by Stantec and is currently in my hands for review. That being said, you should see this report come through soon, if not before Christmas, shortly thereafter. Looking forward to continuing to work with you in 2019. I hope you're taking some much deserved time off for the holidays. I will be taking vacation through January 6th.

Wishing you and your family a very Merry Christmas and a Happy and Healthy New Year!

Adriane,

I wanted to check in with you to see if there is a report for the work completed at CS47 from summer 2018?
