Comment:

COGCC Staff couldn't access the PA locations because of a locked gate off 95th Ave- see attached inspection photos. SRC representative will meet COGCC Staff upon request at a future date to inspect the PA locations. Note: This was a shared access road with another Operator and the other Operator will also receive a similar inspection.

The last well plugged that used this access road was July 2018. At a minimum, Per Rule 1004 Operator shall reclaim the access road no later than July 2019 or the next available growing season.
