RE: Waiver of Production Facility

Wuertz 01N-65W-12 Pad

Dear Joe & Sandra,

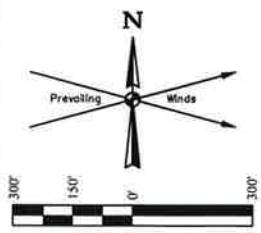

As you well know Verdad is planning the Wuertz well pad and facility within 1000' of your property to the SE of the proposed location. This waiver is to document that the Amen family does not take issue with the placement and has been consulted by Verdad on the placement of production facilities and/or wells attached hereto. Should you have any questions please give me a call 720-845-6912.
