General Comment:

This is a follow up inspection from Doc# 675001440 dated 12/7/18 .
Any corrective actions from previous inspections that have not been addressed are still applicable.

I observed unused equipment stored on location. (500 gallon tank and stand) Date to be removed by is 3/11/19. Due to so much snow, I cannot evaluate if equipment has been removed or not but looks to me like it is now being used at pig station.
