1	This APD, submitted by Upland Exploration LLC, is subject to the HighPoint Operating Corporation (HPOC) spacing applications assigned docket numbers 180700572 and 180700574. Per the spacing applications listed, HPOC plans to develop these units on a 1280 acre unit, two mile lateral basis. The Upland permit as submitted (on a 320 acre, one mile lateral basis) will create waste. HPOC requests that COGCC staff conduct a technical review.	08/24/2018
