Dear Mr. Booth:

The **(Booth 24-26)** well located on your property, that was plugged by an Operator in 1994, needs to be re-entered and re-plugged to ensure the integrity of the well bores. Prior to commencement of those operations, which we anticipate will commence within 30 – 90 days, the Colorado Oil and Gas Conservation Commission requires we inform you, and secure your agreement to the procedures.

Please acknowledge your receipt of this notice and your consent to the proposed operations by signing, dating, and returning this letter to the undersigned.

If you have any questions or concerns regarding this matter, please do not hesitate to contact me directly at (970) 515-1606.

Thank you,
