<p>On March 6, 2019 COGCC SW EPS Jim Hughes conducted an environmental field inspection of the Linde Inc. Schmidt #2. For the most recent field inspection report of this facility, please refer to document #688800351. Pit Facility ID #112977 has been returned to service.</p> <p>2 fiberglass ASTs used while pit upgrades and remediation took place, are no longer in use.</p> <p>Pit Facility ID #112977 is fenced and netted. Equipment blew down to pit several times during this inspection. Ensure that mist generated during blow down does not migrate outside of pit area. Recently constructed slopes along the north and west sides of the pit area have settling cracks in the soil. Ensure slopes are stabilized and compacted.</p>	hughesjo	03/08/2019
