**COGCC Inspection Report Summary**

On Tuesday March 12, 2019 at approximately 1230hrs , I Randy Silver, conducted a follow up on-site inspection at a Painted Pegasus Petroleum site Piland #1 API# 05-001-06913 in Adams county Colorado.

While there, I observed a production site.

During this inspection the following possible compliance issues were observed:

Sign posted with incorrect information Rule 210 b CAD of 3-22-18 see photo 1.

This is a follow up inspection per DOC# 677400630. At time of inspection well head sign was still incorrect. 2" pipe appeared to be removed from location.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
