Date of Violation: \_\_\_\_\_ Approximate Time of Violation: \_\_\_\_\_  
Was this a discrete violation of obvious duration? No

Description of Alleged Violation:

Pursuant to Rule 210.b., within 60 days after the completion of a well or the installation of a battery, Argali Exploration Company ("Operator") shall install permanent signage at the wellhead and/or battery. This signage shall provide, among other required information, the name of Operator, a phone number at which Operator can be reached at all times, and a phone number for local emergency services (911 where available).

During an inspection of Operator's Federal #9-1-8-91 (Facility ID 279200, "Well") location on August 1, 2018, COGCC Staff observed that the signage at the Well and/or associated battery had inaccurate information and did not include a phone number at which Operator can be reached at all times. (Field Inspection Report No. 689801493).

COGCC Staff required Operator to modify the signage to include emergency contact information as required by September 3, 2018. During the follow up inspection on September 11, 2018, COGCC Staff observed that the signage still did not include a phone number at which Operator can be reached at all times. (Field Inspection Report No. 689801637).

Operator failed to install permanent signage with the required information at the Well and/or battery, violating Rule 210.b.

**Proper and timely abatement does not preclude the assessment of penalties and an Order Finding Violation.**

Operator shall install signage at the Well and/or battery including a phone number at which Operator can be reached at all times, and a phone number for local emergency services (911 where available), and all other information required by Rule 210.b

By the corrective action due date, Operator shall submit an eForm 4 Sundry Notice which provides photograph evidence of the updated signage. Operator shall include an explanation of how Operator will ensure the required signage at the Well location will be kept up to date, and how Operator will ensure that the posted phone number will reach Operator at all times.

**PENALTY**

Penalties for violations alleged in this NOAV will be calculated pursuant to Rule 523, with daily penalties accruing pursuant to Section 34-60-121(1), C.R.S.
