**COGCC Comments**

Comment	User	Date
A form 4 document #401946685 was received 2/21/2019 stating final reclamation complete. This form will be denied. This inspection documents that reclamation is not complete. Soils must be stabilized with vegetation and there is no surface owner waiver from the stormwater rules. Operator must comply with the rules.	CostaR	03/13/2019
