RE: Rule 306.e. Meetings with Building Unit Owners within a Buffer Zone  
Setback.  
Golden Eagle 1-6 Pad: Lot 2 NE ¼ Section 6-T6N-R66W  
Weld County,  
CO

Dear Mr. Robbins,

SRC Energy hereby certifies that it has complied with Rule 306.e, which states that an Operator shall be available to meet with building unit owners who received an OGLA notice or a buffer zone notice pursuant to Rule 305.c. and requested a meeting regarding the proposed oil and gas location.

SRC Energy notified all BU's, LGD, and the Surface Owner the Buffer Notice on January 8, 2019. None of the BU's requested a consultation or meeting. However, SRC did hold a neighborhood meeting on December 10, 2018 and no one attended the meeting except for SRC staff.

SRC respectfully requests that the Director approve of the 2A and wells on the Golden Eagle 1-6 Pad.

Thank you,

*Erin Ekblad*
