**Subject:** State Reportable Release

Good morning,

We had a state reportable release at the location noted below due to the volume of soil impacts discovered around the wellbore following the failure of the surface casing. Excavation activities are ongoing at this time, and a Form 19 Release Report is forthcoming.

Please let know me if you have any questions.

Associated Well Names: Brown 32-35  
Location: NWSW Sec35-3N-66W  
API Number – 05-123-27132
