**Subject:** State Reportable Release

Good morning,

We had a state reportable release at the location noted below due to historical soil and ground water impacts discovered during plugging and abandonment activities at the tank battery. Excavation activities are ongoing at this time, and a Form 19 Release Report is forthcoming.

Please let know me if you have any questions.

Associated Well Names: Coburn W 28-3J1  
Location: NENW Sec28-2N-66W  
API Number – 05-123-20785  
Location ID 331499

Thank you,

Greg L. Hamilton
