**COGCC Comments**

Comment	User	Date
On Monday 3/25/19, I Adam Kraich performed an inspection of the Merlin Pad, owned and operated by Extraction Oil & Gas. While on inspection, I observed sound wall infrastructure on location, as well as waste management infrastructure (portable restrooms and dumpster). The location appears to be awaiting flowback operations. Wellheads are not built for production at time of inspection. END.	kraicha	03/25/2019
