RE: Rule 306.e. Meetings with Building Unit Owners within a Buffer Zone
Setback.
Bernhardt 4-18 Pad: NWNW Section 18-T4N-66W
Weld County,
CO

Dear Mr. Robbins,

SRC Energy hereby certifies that it has complied with Rule 306.e, which states that an Operator shall be available to meet with building unit owners who received an OGLA notice or a buffer zone notice pursuant to Rule 305.c. and requested a meeting regarding the proposed oil and gas location.

SRC Energy notified all BU's, LGD, and the Surface Owner the Buffer Notice on October 22, 2018. None of the BU's requested a consultation or meeting.

SRC respectfully requests that the Director approve of the 2A and wells on the Bernhardt 4-18 Pad.

Thank you,

Erin Ekblad
