Gentlemen:

We are in receipt of your letter of February 27th in answer to our request on above well status, for which we thank you.

Regarding your inquiry as to renewal of bond in the event well is not commenced within 180 days from date of first application to drill, wish to advise it will not be necessary to file a new bond if lease name and locations are ~~the~~ same as recorded on the bond.

Very truly yours,
Oil and Gas Conservation Commission
