**General Comment:**[This is an interim reclamation and stormwater inspection.](#)

**Reclamation - Storm Water - Pit****Interim Reclamation:**

Date Interim Reclamation Started: \_\_\_\_\_ Date Interim Reclamation Completed: \_\_\_\_\_

Land Use: \_\_\_\_\_

Comment: Project area is surrounded by open grass field, that is sparsely vegetated at this time. Revegetation is sparse within the interim reclamation area and needs to be monitored. If vegetation cover is not increasing during the 2019 growing season, then revegetation efforts will be required by November 1, 2019. Cattle exclusion may be needed.
