(5). Copies of the required notification letters are on file at SRC Energy's office. The required thirty (30) day notice period has elapsed absent the receipt by SRC Energy of any objection to their proposal by the owner(s) within the proposed spacing unit for the subject well. We have not received any objections to such well location or proposed spacing unit, therefore, SRC Energy hereby requests the Director approve the well.

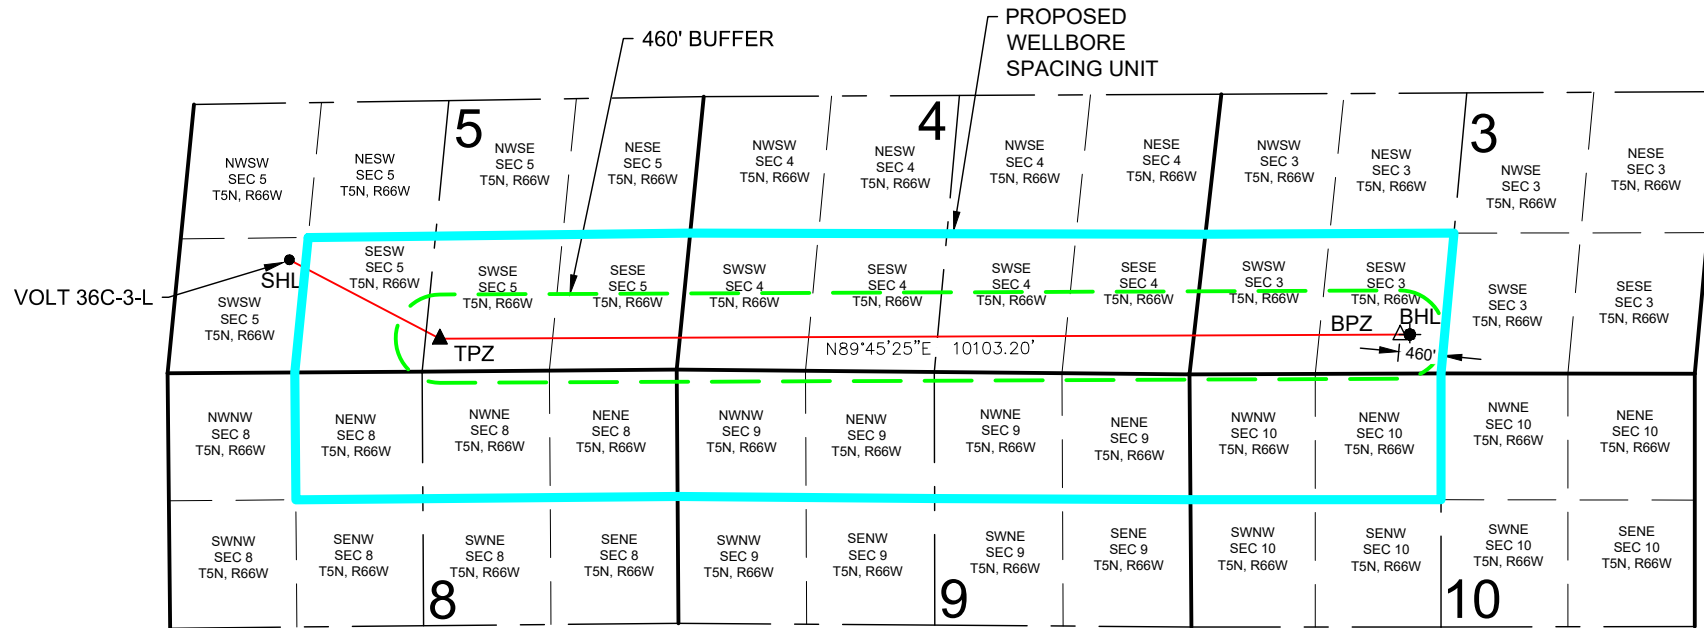

Enclosed is the Proposed Spacing Unit Plat to assist in your review and approval of SRC Energy's proposed Application for Permit to Drill (APD) for Volt 36C-3-L well. SRC Energy respectfully requests the COGCC to review the enclosed information and approve the exception location waiver request per Surface Use Agreement and APD for Volt 36C-3-L.
