Gentlemen:

The enclosed Application for Permit to Drill, filed by TransOcean Oil, Inc., was approved January 26, 1979. Approval was extended until January 26, 1981. No further reports of drilling activity have been received. Approval of the application is rescinded this date and the application is being returned. Any construction of access road and well pad will need to be restored to the satisfaction of the Bureau of Indian Affairs.

If at some later date you decide to drill a well at this location, it will be necessary to file a new application with the District Oil and Gas Office in Grand Junction, Colorado.

Sincerely yours,

(Orig. Sgd.) C. A. BARRICK
