**Operator Comments:**

Verdad Resources would like to change the SHL location on this well from 1387' FSL to 1353' FSL.

Cultural Distances have been resurveyed and updated

This well is changing to a Niobrara well from a Codell. The spacing order is common source for these formations so the nearest well will not change.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
