**Inspected Facilities:**

Facility ID	Type	Status	Status Date	Well Class	API Num	Facility Name	Insp Status
111980	PIT	AC			-	WARNECKE LEASE	EI

**General Comment:**

Environmental inspection related to recent plugging notice 401999466. There are two AC status pit facility IDs associated with this well that require closure. A Form 27 is required for the investigation and closure of the production pit and associated oil skim tank. Oil stained soil at the separator requires removal, subsequent confirmation soil sampling and proper disposal.

**Reclamation - Storm Water - Pit****Storm Water:**
